

FS-1 REPACKING GUIDE

Please be sure to include all components of the inversion table in your returned order, including the accessories and instructions, otherwise you may not be eligible for a complete refund.

Begin by using the original box and bags that came with the inversion table. If you do not have the original box, contact Teeter Customer Service at 800-847-0143. Product returned in an unauthorized packing container may not be eligible for a complete refund.

NOTE: Figures do not show all bags used in repacking for easier viewing of box assembly.

Figure 1: Start by disconnecting the inversion table into its primary components: Table Bed, A-Frame, Main Shaft with Ankle System, Accessories, Hardware, Handles, and Roller Hinges. **DO NOT** disassemble the product into more components than the parts listed below.

Figure 3: Start repacking the inversion table by placing the Table Bed face-down into the box off to one side as shown.

Figure 3

Figure 4a & 4b: Position the A-Frame in the box by first pulling up on the Support Beam of the Table Bed with one hand and overlapping it over the Crossbar of the A-Frame while sliding the A-Frame into the box as shown.
