REPACKING FOR RETURNS

Please retain all packaging materials

We want you to be 100% satisfied with your Teeter Power10. If for some reason you aren't – please give us the chance to make it right by contacting Teeter Customer Service at **800-847-0143**, email **info@teeter.com** or via Live Chat at teeter.com.

Please retain the protective packaging from inside the carton during your trial of the Power10. If you decide to return, Customer Service can provide a complimentary outer carton, but all packaging is required to qualify for a full refund. The Power10 must be returned complete with all parts and accessories, and free of damage.

Scan the QR code or go to teeter.com/product-support to watch a short video on how to properly repackage your Power10.
